HELLBOUND: Yorkshire Ripper Peter Sutcliffe

Sunday Sport EXCLUSIVE

RIPPER RE-UNITED WITH NONCE KING PAL SAVILE

THE Yorkshire Ripper Peter Sutcliffe's last words were: "I'm coming to you, Jimmy!" – before he died and went straight to HELL!

It's believed the serial killer's final utterance was directed at the burning soul of his pal, meganonce Jimmy Savile, who died in 2011.

The pair met while Sutcliffe was locked up at Broadmoor Hospital for the Criminally Insane, where Savile was a trusted volunteer.

Vile Savile even engineered a meeting between Sutcliffe and boxing legend Frank Bruno in 1991.

A source at Frankland Prison, where Sutcliffe spent his final years, said: "The Ripper used to moan that he was lonely since 'my Jimmy' left him 'all alone'.

By BARNEY SAMUELS
news@sundaysport.co.uk

"They were kindred spirits – Sutcliffe liked to kill ladies and Saville used to have sex with dead ones.

"I can see them gambolling through the fires of Hell, hand in hand."

Sutcliffe's death, aged 74, was announced on Friday.

The serial killer was serving a whole life term for murdering 13 women in Yorkshire and north-west England.

The former lorry driver, from Bradford, died in hospital where he is said to have refused treatment for COVID-19. He also had other health problems, including being fat.

Sutcliffe spent three decades at Broadmoor Hospital before being moved to HMP Frankland in County Durham in 2016.

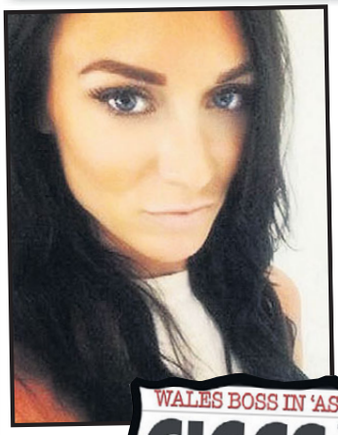
AS SWORDSMAN FOOTIE STAR HITS HEADLINES YET AGAIN...

SEX LIFE OF RYAN



IN THE NEWS: Stories claim that Giggs (*far right*) and Kate (*above*) had home bust-up

REMEMBER when Ryan Giggs used to make headlines for his talent as a footballer?

It all seems like a distant memory, doesn't it?

The Manchester United legend – who is currently taking an enforced break from his job as national coach of Wales – is more likely to crop up in the public prints these days on account of his Byzantine love life.

By BARNEY SAMUELS
news@sundaysport.co.uk

His own brother, Rhodri, has labelled him a sex addict who can't resist women on nights out.

And Rhodri should know, as Ryan had a secret affair with his brother's WIFE.

Ryan, 46, was recently arrested over an alleged bust-up with girlfriend Kate Greville.

Police visited his £1.7m home in Worsley, Greater Manchester after the pair reportedly rowed over flirty messages and Kate's fears the star had been cheating on her with two women.

Giggs spent the night in a police station before being interviewed and released pending enquiries.

He denies any wrongdoing but is being investigated for actual bodily harm.

However, Ryan certainly has form when it comes to having the sex life of a stray dog...

IMOGEN THOMAS

BACK in 2011, newspapers were banned by an injunction from naming a "married footballer" who had been squirting his filthy love custard up a reality TV starlet.

Ridiculously, both the footballer and the telly star had been named on Twitter many thousands of times.

It fell to LibDem MP John Hemming to use parliamentary privilege to name Giggs and *Big Brother* beauty Imogen.

NATASHA GIGGS

THE Bible is pretty clear on the subject.

Leviticus 18:16 clearly states: "You shall not uncover the nakedness of your brother's wife."

So Ryan risked eternal damnation when he not only uncovered the nakedness of his brother Rhodri's wife but banged her silly for EIGHT YEARS.

DAVINIA TAYLOR

GIGGS was briefly engaged to former *Hollyoaks* actress Davinia Taylor.

Unfortunately, they fell out following an incident at a Manchester club.

Giggs then reportedly dated his former United youth team colleague Dave Gardner's sister Emma Gardner – before he started dating Gardner's former fiancée, Stacey Cooke.

Pope prays robots don't turn on Man

THE Pope has ordered Catholics to use the power of prayer to stop killer *Terminator*-style robots turning on their human masters.

Pope Francis urged his flock to pray that artificial intelligence and robots "always serve mankind" instead of stripping humanity of its "dignity".

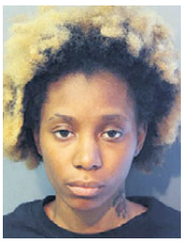
During his November prayer intention, Francis said: "Artificial intelligence is at the heart of the epochal change we are experiencing.

"Robotics can make a better world possible if it is joined to the common good. If technological progress increases inequalities, it is not true progress.

"Future advances should be oriented towards respecting the dignity of the person and of creation.

"Let us pray that the progress of robotics and artificial intelligence may always serve humankind."

Experts say that crushing Terminators in a giant hydraulic press may be a more effective way of dealing with them than prayer.



Jay-Z fan's breach of air security

A WOMAN skirted layers of security and somehow boarded a plane without a ticket, hoping to fly to Los Angeles to see her rap star hero Jay-Z.

Yaazmina Payton, 23 (*above*), was arrested at Chicago's O'Hare airport after she was seen ducking under ropes at a boarding door near the ticket gate of an American Airlines flight destined for LA.

She has since been charged with criminal trespass.

Payton, who suffers from PTSD and has anxiety disorder, told cops she pushed past a gate into a secure area at the airport when Transportation Security Administration officers got distracted.

A judge ordered Payton to be released on bail.

She has also been banned from returning to O'Hare.

HAPPY TO YELP: Rufus sells his 'vaccine' in the street

WARNING: DON'T TAKE THIS MAN'S COVID VACCINE

NO PROTECTION: Cider does not protect against COVID-19

Boffins say mixture of urine, spittle and cider 'may not defend against virus'

By SIMON DEAN
news@sundaysport.co.uk

IT seems too good to be true...

A vaccine for COVID-19 being handed out for just ONE POUND on the streets of Newcastle upon Tyne.

And unlike the treatment unveiled by Pfizer and BioNTech last week, this vaccine doesn't even need injecting – it comes in a handy shot glass.

Alas, the tonic being touted by unsteady Malcom Rufus last week will NOT, ward off coronavirus.

Because, unlike the groundbreaking Pfizer vaccine – which uses space-age Frankenstein genetic technology – Rufus's concoction is an abominable mixture of SPITTLE, his own URINE and cheap cider.

When *Sunday Sport* caught up with Rufus last week, he was doing a roaring trade with worried Tynesiders gulping down his tincture.

Growling

The former window cleaner's pockets appeared to be weighed down with pound coins, handed over by citizens keen to dodge the plague.

The 50-year-old was yelping: "Vaccine – a poond! Nee jabs, nee fuss, nee bother".

When we confronted him, Rufus rasped: "Look here, see, f**k off or I'll set me dog on you."

Sure enough, a growling cur was standing beside the conman.

Last night Professor David Curtis of the University of West Lancs, said: "The survival rate from COVID is something approaching 99.5%.

"I would suggest that the survival rate from drinking a semi-vagrant's spittle and urine is rather less than that.

"Whatever, this mixture will almost certainly provide no protection from COVID and should be avoided."

Our dossier is available to the police.

MONDAY

PHARMACEUTICAL giant Pfizer says that it has developed a highly effective vaccine against coronavirus.

Pfizer also invented Viagra – so this latest news really does seal their reputation as the masters of helping elderly people to feel a prick when they need one most.

TUESDAY

THE Football Association chairman Greg Clarke is forced to stand down after saying – among other things – that young women don't like being hit hard by balls.

Wow. All that time at the top of football and he's never been invited to the Manchester United Christmas party?

WEDNESDAY

TORY MP Jake Berry sparks fury when he claims that northern folk prefer Premier League football to ballet.

To be fair, it's perfectly possible to enjoy both. We quite like watching a bunch of overly-dramatic prima donnas prancing around and occasionally pretending to die. And we also like ballet.

The main difference between the two arts is that male ballet dancers show off the size of their packet by wearing tights. While footballers do the same by wearing a Rolex.

THURSDAY

BOXER Nicola Adams is forced to leave *Strictly Come Dancing* after her dance partner Katya Jones tests positive for coronavirus.

That must be the first time a lesbian's partner has had to worry about pulling out.

FRIDAY

THE nation breathes a sigh of relief as one of its most despised psychopaths is finally despatched.

We mean Peter Sutcliffe, aka the Yorkshire Ripper.

But if you guessed Boris Johnson's mate Dominic Cummings, take half a point.

Pretty soon Dominic will be trying to read something which says "P45" on it. Which, ironically, is a lot more similar to a standard eyesight test than driving to Barnard Castle.

SATURDAY

POP legend Phil Collins is slated by his soon-to-be ex-wife, who claims that he stopped bathing or brushing his teeth after a back op.

Apparently she could smell him coming in the air tonight. Often from up to 50ft away.

And, yes, she really did wish it would rain down. If only to give the stinky old sod a quick rinse.

WHAT DO YOU think?

THIS WEEK: THE COVID VACCINE

I THINK anyone who refuses to take the vaccine should have their throat cut.

I've had to shield since March because I'm a vulnerable person, on account of carrying a few extra pounds.

It's not that I'm greedy – it's my glands. But they'll have to come to me. There's no way I'm setting foot outside my house unless it's for ciggies or cider.

My health's too important to risk.

Glenda Sproate, Wolverhampton

VACCINE? Don't make me bloody laugh!

When I was a youngster I had the polio, whooping cough, diptheria and yellow fever – and it never did me any harm.

Look at the youngsters today – full of these bloody vaccines and half the boys want to be ruddy girls.

Coincidence? I think not.

Len Jones, Wallsall

AND who will make the biggest profits from this "vaccine"? International money men and venture capitalists who funded Boris's campaign, that's who!

Do you think it's any coincidence that this virus arrived in Britain AFTER Jeremy Corbyn had been cheated out of his election win?

Jeremy would have negotiated with the virus as an equal and allowed us all to live in harmony.

Julian Probert, Birmingham

I THINK that the young people should be given the vaccine first.

Yes, they should get that needle right in their firm young bottoms to keep them all fresh and healthy.

I'm training as a health assistant so I can help with the vaccination programme and I know a lot of my online friends are, too.

Lionel Partington, Worcester

IF you want Bill Gates to inject a mind-control microchip into your arm, go ahead – do as you are told, sheeple!

I cannot believe how people have fallen for this con.

Oh, YOU'D have the vaccine, would you?

Well, they've already got to you then, BAA! BAA!

N Korea set for dolphin attack on US

EVIL Kim Jong-un has ordered his admirals to train DOLPHINS to attack US navy ships in his latest mad grab for world domination.

Spy satellite images show dolphin pens floating in waters in North Korea, between a shipyard and a coal loading dock, with warships based nearby.

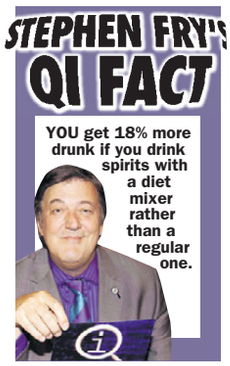
Another base further up the river seems to show where dolphins might be being bred.

The US Navy first pioneered the use of marine mammals for military purposes, such as spotting mines and enemy swimmers.

To date, only the Russian Navy – with bases in the Arctic and Black Sea – had followed suit.

It's possible the marine mammal pens seen in North Korea are a type of fish farm – many of which are run by the kingdom's armed forces.

But the pens appear to be sized for larger creatures like dolphins.



Sh*t mountain man remanded

A DIRTY slob created a mountain of POO, loo roll and empty Pot Noodle cartons which he threw out of the window at his home.

John Cameron, 45, posed a health hazard by hurling faeces and bottles of urine out his window for more than a year.

Depute fiscal Lisa Marshall told Perth Sheriff Court: "There was a large quantity of toilet roll, plastic bottles filled with urine and empty Pot Noodle tubs."

The cleanup needed a mechanical digger and cost the council £3,000.

Cameron, from Perth – who has now been evicted – admitted two instances of breaching the peace during September.

Sheriff William Wood said he would solve Cameron's homelessness by remanding him in custody while social work reports are prepared.

BAN THE BBC!

Activist says Corporation 'perpetuates racist sexual stereotypes'

BLACK MARK: Broadcaster 'should know its name is offensive'

BITTER: Meadow Sugarsweet says BBC are peddling racist stereotypes

By BARNEY SAMUELS
news@sundaysport.co.uk

THE BBC has been branded "inherently racist" and accused of "peddling outdated, offensive sexual stereotypes about the BAME community".

Professional prodnose Meadow Sugarsweet says that the initials BBC, which stand for British Broadcasting Corporation, are also the initials for BIG BLACK COCK, a racially-sensitive porn genre.

Sugarsweet, fresh from leading Black Lives Matter protests on the island of North Uist in the Outer Hebrides, says the BBC brand is a "racist scandal that staggers decency".

She tromboned: "Every time I see the BBC logo my mind immediately thinks of Big Black Cock.

"And that cannot be right in a tolerant, inclusive, diverse society. It is micro-aggression on a mammoth scale and I cannot believe that the BBC have not realised their initials also stand for Big Black Cock.

COCK-UP: BBC is also a porn genre

"When viewed in conjunction with the fact that, thanks to the British Empire, the word 'British' is also dripping with blood, it is intolerable that the BBC should keep its name.

"In fact, the whole thing should be dismantled and sold off, with the proceeds of the sale going to the Black Lives Matter movement.

"If our so-called national broadcaster is making people subliminally think of Big Black Cock every time they turn on their TV set, we have no right to call ourselves a civilised nation."

Ironically, the BBC is widely seen as one of the most right-on institutions in the UK, with a raft of programming last month to mark Black History Month and a hugely-powerful inclusion and diversity department.

Sugarsweet's call has reportedly caused near-panic in the upper echelons of the organisation.

One weary staffer groaned: "This lunatic's ravings are actually being taken seriously.

"They have set up a Big Black Cock Working Party and Big Black Cock Task Force. The thing is, there are porn blockers on the BBC computers, so anyone from the Big Black Cock Working Party typing the words 'big black cock' into their computer gets locked out and reported to IT!"

Imagine how much the one-armed Uruguayan Héctor Castro would be worth in the world of VAR.

THE VOICE OF YOUR BRITAIN

Exposing misdeeds is our duty

REGULAR readers may wonder why this newspaper concentrates so much time and effort recording the misdeeds of famous people's dwarf lookalikes.

It is a fair question and one which merits explanation.

Think what we like of many people in the public eye, most have got there through hard work and dedication.

If someone is to make a living as a lookalike on the back of another person's toil, there is a pressing need for them to maintain the highest standards of behaviour.

For that behaviour will inevitably reflect on the person they imitate.

And dwarf lookalikes have an additional burden.

For their antics will reflect on the wider small person community.

That is why today – for the second time – we report the challenging behaviour of a dwarf Steph McGovern lookalike.

This is no vendetta.

We have no quarrel with either the lookalike or the dwarf communities.

But we shine a light onto wrongdoing and unfairness wherever we see it.

That is our mission as a respected national newspaper.

Woke warriors are talking cock

WHO sits in front of the TV set and immediately thinks of "big black cock"?

Not many people, we'd wager.

But a certain sort of prodnose is calling for the BBC to be BANNED, merely because those initials also stand for "big black cock" among sex people.

Do we sometimes wonder that, their minds warped by extremes of political correctness, these wokeness warriors are stark staring mad?

TV plumbs depths

IS nothing sacred for the people who run television?

The latest outrage is a Bake Off-style show featuring competitive funeral arranging.

Whenever the bottom of the TV barrel seems to have been reached, executives find a way to plumb the depths still deeper.

We fear for our nation's very soul!

IF you can say one thing about TV executives, it is that they are the most drearily unimaginative collection of numbskulls on the planet.

Once they stumble on a concept that is moderately successful, they'll flog that particular horse to ribbons.

So, *Have I Got News For You* spawned the near-identical *They Think It's All Over* and *Never Mind the Buzzcocks*.

And *The Great British Bake Off* led to *The Great British Sewing Bee* and even a Sky show about competitive woodworking – until they mistakenly enrolled a man covered in neo-Nazi tattoos.

Barrel

Now another *Bake Off* rip-off has been scraped from the bottom of the barrel – *The Great British WAKE Off*!

Amateur funeral organisers will compete to lay on a send-off spread for a recently departed person.

The rookies will each present sobbing relatives their plans for a buffet and entertainment.

And the winner is the one whose ideas most tickle the grieving loved-ones' fancy!

A source close to the project said: "We thought that to cheer up the occasion, we have a comedian to perform at the wake.

"Each team will be given a comic to 'sell' to the family. We're thinking of pretty traditional comedians, such as Jimmy Cricket, Stan Boardman and Tommy Cannon – who will surely be glad of the work after the tragic death of his stage partner Bobby Ball.

"We even may throw in someone like blue comic Chubby Brown, just as a wild card!"

Last night a source at the National Society of Undertakers called the idea "tasteless beyond imagination."

Council pours cold water on naked lady ad

A LIFE-SIZED poster of a naked woman showering has been removed after a council said it broke planning rules – and has now been replaced with one of a naked MAN.

The advert gained notoriety after appearing on a main road outside a bathroom shop, on Arnot Hill Road in Arnold, Notts.

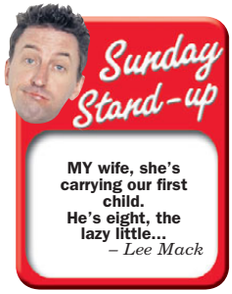
The shop's owners said they planned to sell the original poster on eBay to raise funds for local food banks.

Sam Collins, co-owner of the shop, said he was disappointed with the council's decision to order the poster's removal and report it to the Advertising Standards Authority.

However, he said the image had "done its job", which was to "add a bit of humour".

He added: "When we're in here, you can see people look up and smile and give us the thumbs up."

He said the new poster – an almost 8ft image showing a naked man in a bathtub – had been put inside the shop window to avoid breaching planning regulations.



Cops hunt nude man in woods

A NAKED man has been seen running around an area of woodland which is popular with walkers.

Shocked dog owners witnessed the man in the New England Wood area of Cuckfield, West Sussex.

Police are now looking into this sighting and are appealing to anyone who might have been in the area at the time, or may have information on the incident, to get in touch with them.

Neighbourhood Policing Inspector Darren Taylor issued the appeal on social media, saying: "The team is investigating a report from yesterday of a naked man seen running around the New England Wood area in Cuckfield.

"Dog walkers witnessed this at about 7am yesterday morning."

EVIL STEPH DWARF STOLE MY SANDWICHES

Sunday Sport EXCLUSIVE

ACCUSED: Helena

By JUSTIN DUNN
news@sundaysport.co.uk

A MISCHIEVOUS midget tribute act to TV's Steph McGovern has struck again – this time in a lady's LUNCHBOX.

Pint-sized Helena Walls, 34 – who bears an uncanny resemblance to the Channel 4 *Packed Lunch* presenter – first hit the headlines when *Sunday Sport* revealed a neighbour's upset when she SHAT in his hanging baskets.

But now the part-time performer, from Droitwich, Worcs, has been branded "evil" after being accused of raiding a church charity worker's lunchtime butties.

Food bank volunteer Pat Anderson, 53, claims the "little menace" has been deliberately targeting her sustenance snacks ever since her pantomime gigs were cancelled due to COVID-19.

Divorcee Pat said: "I know I should blame the Chinese for this bloody plague but that little menace can't pretend she's all innocent, either.

"Every Friday, me and the other volunteers gather at a social distance to prepare hearty soups made from our leftovers to feed the hungry.

"We don't waste a scrap of anything – that's not what the Christian Science movement is about.

Personal

"But while we're doing that, we leave our own personal belongings at the back of the church hall – including our lunchboxes."

Pat said the hall was known to Steph McGovern impersonator Helena as it had been used for panto rehearsals, before these unprecedented times saw roles for "little people" axed.

She added: "She went and swiped my lovely Marks and Spencer roast beef and horseradish butty, the nasty little bitch."

Helena refused to answer the door of her tidy semi to *Sunday Sport*, which is next door to hanging-basket victim Alan Frobisher.

Telly host Steph, 38 – once described as a "sturdy Teessider" – still presents her live daily lunchtime magazine show on C4.

Linda: I had sex with Elton John

LINDA Robson revealed she had a vivid sex dream about singer Elton John – and wrote a letter to the star to tell him.

The TV star, 62, made the raunchy admission about singer Elton, 73 – who freely admits to being gay – during an episode of *Loose Women*.

A cheeky Linda *(left)* also admitted she had written to the *Rocketman* hitmaker via her make-up artist to tell him about their dream rendezvous – and had received a saucy reply.

She said: "I had this really vivid dream that I had sex with Elton on the Eurostar going to France.

"I can remember every detail, I remember waking up and thinking 'I hope Mark *(Dunford, her husband)* don't find out'."

Adding that her make-up artist was due to work with Elton, Linda said she had penned a note to Elton, which read: 'Dear Elton, big fan, love your book. I had sex with you on the Eurostar in my dreams.'

Revealing the note he had sent back, Linda read: "Dear Linda, thanks for your lovely card, actually it was the Orient Express and we made so much noise we got thrown off."

Then Linda added: "I can be noisy!"

Linda's TV show *Birds of a Feather* is set to return for a Christmas special, but will not star Pauline Quirke as she has decided to "give up acting".

Wheelchair perv jailed for serial flashing

A CONVICTED sex offender has been jailed for six months for numerous instances of exposure and indecency – committed while under a suspended prison sentence for similar offences.

Derek Albert Gault, 51, of Enniskillen, Co Fermanagh, denied six sets of charges but was found guilty on all counts at Enniskillen Magistrates Court.

On one occasion, Gault was observed standing in front of his wheelchair with his trousers round his ankles, urinating and defecating.

On another, he exposed himself while attempting to urinate in public view in close proximity to a nursery and a dining facility.

Having previously been told by a judge he had "run out of rope" following repeated bail breaches – which police believe may exceed 100 – Gault was remanded in custody last month.

Last year, Gault was handed a suspended sentence after a carer arrived at his home to find him seated in his wheelchair with his genitals exposed.

He grabbed her hand and, placing it on his genitals, stated: "He goes mad when he sees you."

Shot boyfriend, then called love rival as he bled

A SCORNED woman is accused of shooting her boyfriend after finding he had another lover – then calling her love rival via video chat as he lay in a pool of blood.

Rosa Lagrone, 34, *(above)* is facing a first-degree attempted murder charge following the shooting that left her 27-year-old boyfriend in hospital with a bullet lodged in his spine.

DuPage County prosecutors said at a hearing that Lagrone shot her boyfriend during an argument about another woman.

Lagrone then video-chatted the other woman on Facebook as her boyfriend lay on the floor bleeding.

A murder charge could be filed against Lagrone if he dies.

Lagrone told investigators the gun went off accidentally as the victim tried to pack his bags to move out.

In addition to attempted murder, Lagrone is also facing charges of aggravated battery involving the discharge of a firearm and aggravated domestic battery.

Late kids HURLED over school fence

A PRIMARY school had to ban late-arriving parents from HURLING their kids over its closed gate when dropping them off.

Some late-running mums and dads "were literally throwing their children" over the six-foot anti-nonce fence outside the Trillade school in Avignon, southeast France, principal Sanaa Meziane said.

"It hasn't happened that many times, but as little as it happened, we preferred to get ahead of it," Meziane said.

She added that she believed it was just a matter of time before a child was hurt.

Teachers put up posters at the school's entrance depicting an adult throwing a kid over a fence with the words "Attention Danger".

"Do not throw children over the gate!" the notice reads.

CURVE APPEAL: Michelle is back after COVID-19 worry

Brave Michelle comforted after vile suggestion

MEGA stunna Michelle Keegan is back on the set of ropey comedy series *Brassic* – but she immediately fell foul of the Daily Mail's web-site commentators.

By JUSTIN DUNN
news@sundaysport.co.uk

The actress, 33, who plays central character Erin Croft, bravely returned to work after a COVID-19 scare.

The former *Corrie* star was welcomed back on set by cast and crew.

The day before, it was reported that Michelle had been forced to self-isolate for two weeks, after coming into contact with – but not contracting – COVID-19.

Her fresh looks delighted many on and off set – but the infamous MailOnline commentators soon crawled out of the woodwork when her return was reported on the hate-filled news website.

Turk6969 in London wrote: "She would get it plums deep" – a revolting reference to sexual activity.

ScousersSupportEFC in Liverpool said: "I'd wear her like a hat!"

While adailymailobserver posted simply: "Nice. and. tight."

And Tattoo Twin in Sunderland came up with: "Effortlessly beautiful."

But some commentators were bizarrely critical of Michelle, who is arguably the fittest woman on TV.

Cruel Endeavour Morse, in "Scaryport", penned: "Another cheap turkey face."

It's believed Michelle is being comforted by pals after the vile comments.

Amanda Holden spunk shower hell

CREAM TEASE: Amanda aroused mucky desires

Id love to add a bit more cream to that ensemble.

Why no nips goddess

By WENDY THOMAS
news@sundaysport.co.uk

BRITAIN'S Got Talent judge Amanda Holden looked incredible as she exited from her radio duties at Heart FM.

But revolting Daily Mail readers reached for the gutter, with one even suggesting he hose the presenter down with his OWN SPUNK!

The 49-year-old wore a brown leather wrap dress and a long cream coat which was draped over her shoulders.

Her dress featured a belt which cinched her in at the waist, with the stunna adding a cream jumper underneath.

But it didn't take long for the MailOnline's one-handed commentators to pile in with mucky observations about the former *Cutting It* actress.

Stinky Fingers, from "Fishville", said: "I'd love to add a bit more cream to that ensemble" – the suggestion being that he wanted to shower Ms Holden with his sticky white love piss.

Adoula, supposedly from Cairo in Kuwait and not Egypt, said: "Why no nips goddess."

Not everyone was complimentary, though, with Edward Quinn in Manchester making the *Star Wars* comparison: "Obi-wan Kenobi."

And BigTed64, in Preston, rasped: "Oh bog off you attention-seeking narcissist!"

JOHN LEWIS KILLED MY KITTEN

HAPPIER TIMES: Hannah with her beloved Topsy

LATEST TV AD: Kid and snowman play with balloon

CHRISTMAS used to be the season where the devout celebrated the birth of Our Lord, Jesus Christ.

These days, we are told, the most exciting part of the festive season is when some f**king shopkeeper unveils their seasonal TV advert.

For several years now, John Lewis has employed cold-eyed ad men to cynically pluck the heart strings of the simple-minded and urge them to pay hard-earned cash for trinkets and baubles.

But this year's offering from the high-end retailer stands accused of more than just ruthless capitalism…

Because the 2020 Christmas ad has led DIRECTLY to the death of a KITTEN!

By BARNEY SAMUELS
news@sundaysport.co.uk

In one particularly mawkish part of the ad, a snowman floats away on a balloon.

But when little Hannah Mason, six, tried to recreate the scene using a helium balloon left over from her birthday and her pet kitten Topsy, disaster ensued.

Doom

For shrieking Topsy was hoisted aloft by the balloon and floated over Hannah's home town of Crewe, Cheshire, to near-certain doom.

Hannah's mum Karen said: "Hannah's got it into her head that if we go looking for Topsy we'll find her safe and sound.

"But I've had to explain to her that the odds of her little kitten surviving are less than slim.

"My bet is that she came down on a railway line, or was shot by feral youths with an airgun. Either way, we won't see Topsy again.

"Poor little Hannah… she's so upset. I got her Topsy for her birthday and now I'll have to buy her a new kitten for Christmas.

"I shall be writing to John Lewis because I think they should stump up for the new kitten.

"In a very real sense, with this irresponsible new advert, they killed my daughter's kitten."

The retailer says it considered shelving its traditional festive TV advert over concerns it may not be "appropriate" – with bodies piling up due to COVID – but charity partners persuaded them to go ahead.

Mum 'killed kids because organs were worth a lot of money'

A MOTHER has been accused of killing her two daughters – allegedly telling their father that the infants' organs would be "worth a lot of money".

Amanda Sharp-Jefferson, 26, was arrested on murder charges after her boyfriend, Jaykwon Singleton, said he came home to find her with their unresponsive daughters – Rose, one, and Lily, two months – on top of each other in a baby swing.

Singleton told cops that Sharp-Jefferson "kept shushing him and, at one point, made a statement that their organs were worth a lot of money".

Sharp-Jefferson said she "saw a movie where people made money on body parts after a person died," the arrest report said.

Singleton added that he and Sharp-Jefferson had been together since 2018 and had not had any problems until she recently "started talking about the alter spirit world," according to the police report.

Investigators said Sharp-Jefferson denied being under the influence of alcohol or drugs but said there may have been marijuana present in her apartment.

Mountain lion ate tourists' pet dog

OFFICIALS are warning pet owners to be careful after a mountain lion took a family's little chihuahua during their visit to a popular tourist spot.

The southern Idaho family was visiting the Wild Rose Hot Springs, near Craters of the Moon National Monument & Preserve, when the lion attacked and made off with one of their small dogs.

The dog has not been found and is believed to have been eaten by the big cat.

Mountain lions usually avoid people, but they can be attracted by pets or other small animals they view as prey.

Officials have now warned anyone visiting the area to be cautious, especially in the early morning and evening.

TURKEY TERROR

RESIDENTS in Elk Grove, California, say a flock of over 20 wild TURKEYS are making their lives a misery by attacking kids and shitting on cars.

***I'M A Celebrity...Get Me Out Of Here!* finally returns – and for the first time, there isn't a jungle to get celebs out of.**

COVID-19 restrictions have led to the action switching from Australia to the derelict Gwrych Castle in Abergele, North Wales.

But while the weather might be a bit different this time, there will still be all the usual features persuading us to tune in.

So get ready for yet more barmy bushtucker trials, bollocks for breakfast – and BABES!

Shower

We're not sure how the famous shower will operate in the lovely but bleak Welsh location.

But red-blooded viewers will no doubt be hoping the cold might produce some special moments when the lady campmates nip for a wash.

Ever since the Ant and Dec-led show started in 2002, it has become synonymous for its bathing scenes – perhaps none more so than Kerry Katona looking stunning in her white bikini.

But she is by no means alone – as scores of the ladies who featured Down Under have been known to rattle many a man's jungle drums...

I'm A Celeb... starts tonight, Sunday, on ITV at 9pm.

Doc blasted by patients over 'racist' office sign

A CHIROPRACTOR is facing heat over a sign in his office that refers to COVID-19 as "the Chinese Virus."

Prodnose Annesia Paraison said in a Facebook post that she brought her daughter to the Jersey City office of Dr Kevin Julian before walking out over the sign.

She wrote: "This sign does not mention coronavirus or COVID-19, but instead calls it the 'Chinese Virus'. This is blatant racism. My daughter did not have to think about it – she was ready to leave, and I supported this."

Woke

The post sparked outrage on Paraison's Facebook page, where she is followed by fellow "woke" types.

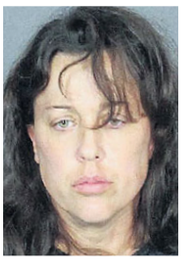
Facebook user Sheila Porada said: "Time to revoke his licence," while Charisse Allen added, "Unbelievable!"

Another woman, Renee Braithwaite, simply replied: "Wow."

Julian has declined to comment.

Although COVID-19 is widely believed to have originated in China, agents of the Chinese Communist Party have managed to persuade the world that calling it "Chinese Virus" is racist.

The same does not, apparently, apply to Spanish Flu, which killed 50 million people worldwide in 1919.



Miss 'shot her son on way to school'

A TEACHER has been accused of shooting dead her teenage son while driving him to school.

Sarah Elizabeth Hunt, 39, allegedly shot her 17-year-old son outside the small town of Riesel, near Waco, Texas.

She then walked to the town and told two people that her son was "with my mother in heaven", and "what have I done, this is unreal".

Officers responded to the scene and found the teen dead with multiple gunshot wounds, according to a police report.

Hunt had picked her son up from his father's house that morning and was supposed to drop him off at school.

The teacher (*above*) was arrested and hit with a murder charge after the shooting.

She is being held in a local jail awaiting a court appearance.

TRUMP'S NOT A SAD MAN ...HE'S A NAPPY MAN!

Losing President wears special pants because he shits himself when angry

ALL THE RAGE: POTUS has to wear nappies when angry

HOW HE MIGHT LOOK

BEATEN Donald Trump is so angry about Joe Biden defeating him in the U.S. presidential election that he loses control of his BOWELS in volcanic temper tantrums.

And to save the orange-faced Republican's blushes, a White House seamstress has made Trump, 74, some adult nappies to contain his "watery" rectal explosions.

In an election that was closer than anticipated, big mouth Donald was beaten by his doddery and forgetful Democratic rival after days of delay.

While most world leaders – including the sly Chinese – have acclaimed Biden as the next president, Trump refuses to concede defeat.

By BRAD CHADWICK
news@sundaysport.co.uk

And frustration about what he believes is the election being "stolen" has robbed him of control of his backside.

A nose-holding White House source said: "We had been warned by staff on his TV show *The Apprentice*, that Mr Trump was prone to soiling himself if he could not get his own way.

Floodgates

"Mercifully, we saw very little of that in the last four years but then he always got his own way – because he is President of the United States.

"But the electorate are the only ones who can say 'no' to him. And when they said 'no more' to his particular brand of madness, the floodgates of his irregular anus opened.

"But at the end of the day, he is still President until January and it is bad for the image of the United States if its leader wears shitty kecks.

"So the White House seamstress made him some big boy nappies that keep in the worst of the waste – and the smell."

It's believed a luckless Secret Service agent has been tasked with disposing of the soiled pants in the White House incinerator.

A source said: "It's the same incinerator where JFK had his bodyguards dispose of the bodies of women he'd killed during kinky sex gone wrong.

"Oh, you didn't know about that? Best not repeat it. It may be a secret."

SEXY BLONDE MISS TOSSED OFF TEEN

GUILTY: Madeleine Schmaltz

A TEACHER has appeared in court after sexually assaulting a former student whom she wanked off to completion as she mentored him at her home.

Madeleine Schmaltz, 30, who taught at Hermantown Middle School in Minnesota, was sentenced to three years of supervised probation for the sexual relationship with the teen last year.

At the hearing, Schmaltz apologised to the victim and his family and blamed the sex acts on her "clouded judgement".

Traumatic

She said: "During the spring of 2019 I was going through some very personal, traumatic experiences that did cloud my judgment.

"Since then, I have been working through those experiences – along with just trying to better myself – and I will continue to do so."

By BRAD CHADWICK
news@sundaysport.co.uk

In September, Schmaltz pleaded guilty to criminal sexual conduct.

The victim's mum discovered the relationship in June last year after finding messages between Schmaltz and her teenage son on his mobile phone.

Schmaltz and the teen both admitted the relationship when quizzed by police.

In addition to probation, Schmaltz was also ordered to sign the Sex Offenders' Register.

10 things you might not know about JOE BIDEN

SO, barring disaster – or Donald Trump bribing the entire US judiciary – Joe Biden will become President of the United States in January.

It's been a very "interesting" campaign, to say the least.

But what do we know about the elderly gent mocked as "Sleepy Joe" by his somewhat coarse opponent?

Here are some facts you may not know…

1 AT school his old classmates mocked him for his debilitating stammer. They would call him "bye-bye" when he attempted to say his last name.

2 HE played American Football at Archmere Academy – a Catholic prep school. He played wide receiver and running back, catching an impressive 19 touchdown passes.

3 A YOUNG Biden finished law school at Syracuse University and was then drafted for service in the Vietnam War. But he failed the medical due to his asthma.

4 AT 77, he will be the oldest president ever inaugurated. Before him, the record was held by Donald Trump, who was 70 when he took office.

5 HE first ran for president in 1987. In 2008, he ran for president a second time before dropping out to become Barack Obama's running mate. He made a gaffe by describing Obama as "the first mainstream African-American who is articulate and bright and clean".

6 MR Biden lost his first wife Neilia and baby daughter Naomi in a car accident in 1972. His two sons Beau and Hunter were also in the vehicle but survived. His eldest son Beau, died of brain cancer in 2015.

7 JOE is a huge car enthusiast and he still owns the '67 Corvette Stingray he got from his father.

8 HIS favourite movie is the 1981 British Oscar-winner, *Chariots of Fire*.

9 HE loves ice cream and his favourite flavour is chocolate chip.

10 BIDEN was introduced to his current wife, Jill, on a blind date back in 1975. He had to propose five times before she finally agreed to marry him.

Diner owner's bog roll plan for customers

A RESTAURANT is giving away a free roll of toilet paper with every 'Family Meal' order as it prepares to close for the next two months, according to its Facebook page.

On Thursday, the Red Barn Restaurant posted a picture of the owner, Laura Benedict, holding two big boxes of bog roll.

"Laura's going to give COVID the '1-2' punch!" the post said.

"We're putting a roll of toilet paper in with every Family Meal! While supplies last!"

The Red Barn, in Augusta, Maine, bought more than 500 rolls of toilet paper "in the wake of new COVID-19 restrictions" specifically to give to customers before the restaurant closes on November 22.

Laura said the giveaway as "a chance to bring some fun into a difficult time".

DEANO ON SUNDAY

There's no vaccine for the tw*ts!

HAVE you ever watched Jeremy Vine's chat show on C5?

If you have a job, probably not.

The TV programme gathers a bunch of low-rent "celebs" and asks them about the pressing issues of the day.

They then throw the phone lines open to the unemployed, unemployable and busybody OAPs to "have their say".

The show is, quite frankly, the best argument against democracy there could possibly be.

The idea that the spiteful, dull-witted morons who call Jezza have a vote that counts exactly the same as yours or mine is profoundly depressing.

Last Tuesday, the show turned to the potential COVID vaccine.

And viewers were asked: "Should people who refuse to have the COVID vaccine be kept in lockdown?"

As you may expect, quite a few viewers spewed the tired old "if it saves one life…" line.

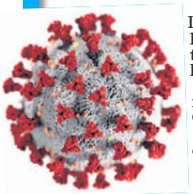
F**K. RIGHT. OFF.

Lightweight TV history presenter Dan Snow agreed that, yes, vaccine refusers should be kept in lockdown.

Or, as it should properly be called, house arrest.

Indecent

Here is a supposedly-intelligent man saying that people who are uneasy about being injected with a potion rushed through the testing system with indecent speed should be treated like second-class citizens.



For a historian, Dan doesn't seem hot on learning the lessons of history.

Look, I am by no means a maniac COVID-denier.

A friend of mine died of the bloody thing last week.

I wash my hands, I wear a mask without complaint, I keep my distance from people.

That's easy – because most people are c**ts.

I may even get the vaccine when my turn comes. Haven't decided yet.

But to be told I MUST take the vaccine or remain under house arrest?

Arse

Take your syringe, doctor, and shove it up your arse.

I wonder how Dan Snow and his trendy leftie mates would react if the Government said that all illegal immigrants should be kept in quarantine for a year and injected with vaccines for all the dreadful plagues they might have picked up on their wanderings?

They would scream blue f**king murder.

We live in an age when a supposedly-respectable TV show and a respected TV historian can talk – quite openly – about creating second-class citizens, denied basic rights because of what they believe.

Has Britain come to this?

It's not COVID we should worry about – it's the plague of twats.

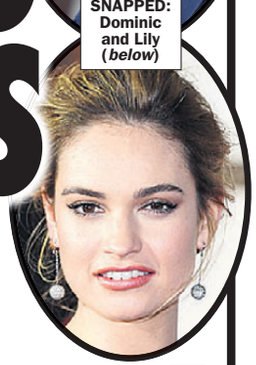
SHOW STOPPER: Lily (*left*) is caught mid-romp by co-star Billie (*above*)

SNAPPED: Dominic and Lily (*below*)



RANDY DOM'S BABE LILY HAS SEX IN FRONT OF BILLIE PIPER!

By GARY DORAN
news@sundaysport.co.uk

NO wonder Dominic West is so taken with his co-star Lily James – she once stripped naked for a sex romp in front of Billie Piper!

Actor Dom has been in trouble with his missus after he was seen kissing Lily, 31, in Milan.

West, 51, and his wife, Catherine, have put on a series of public displays of affection since he was pictured locking lips with the *Mamma Mia 2* star.

They have been pictured awkwardly kissing outside their posh London house and last week were spotted jogging together.

But while the married couple are desperate to show how much they still love each other, it's not hard to see how easy it would be to fall for Lily.

The *Baby Driver* star is more than happy to go naked on screen and has a great bum and pert boobs.

ROMPS: Lily in *Secret Diary of a Call Girl*

And she first whipped her kit off in the sexy ITV show *Secret Diary of a Call Girl*.

Lily starred as Poppy in the series about high class hooker Belle, played by *Doctor Who*'s Billie Piper.

And in one episode of the horny drama Lily got nude while riding a naked fella cowboy style.

As she writhes in ecstasy, Billie walks in on the pair and she initially carries on while Billie watches!

Eventually Lily and her lover decouple and he runs out of the room with his bare arse on show.

A source close to Dominic said: "It would take a strong-willed man not to slip Lily a length, if she was offering it."

Cops arrest beast who chopped up trans wig maker

DIVERS FIND HER LEGS WRAPPED IN BIN BAG

By ROY DURRIDGE news@sundaysport.co.uk

A FUGITIVE wanted for allegedly murdering and chopping up a transgender woman has been arrested – five months after the crime, police have revealed.

Akhenaton 'Akh' Jones, 36, was taken into custody for the June 7 stabbing death of 27-year-old Dominque 'Rem'mie' Fells, whose dismembered body was found the following day on the banks of a river.

The connection between Jones and Fells was not immediately clear and a police spokesman said that information has not yet been disclosed by detectives.

Charges of murder, possession of an instrument of crime, tampering with evidence and abuse of a corpse against Jones were announced in early July.

FINALLY NABBED: Akhenaton Jones

MUTILATED: Dominique Fells

Police Commissioner Danielle Outlaw said in a statement: "The murder of Dominque Fells constituted yet another act of hate and violence against a member of the LGBTQ+ community.

"We are deeply disturbed by the facts of this case, and extend our deepest sympathy to Ms Fells' family, friends, and the entire LGBTQ + community."

Fells, who lived in Philadelphia's south-west area, moved there from York, Pennsylvania.

She had died from multiple stab wounds, and her body was found on a trail on the bank of the Schuylkill River, with her legs severed and trauma to her face and head, police said.

Police divers later found Fells' legs inside a rubbish bag at the bottom of the river during an unrelated search for two missing teenagers.

Fells worked as a freelance fashion designer, making wigs and outfits.

Jones was finally tracked down to Los Angeles, California, where he is being held pending extradition to Pennsylvania

THE FLYING SAUCER CONSPIRACY

FIRST CONTACT?

For many, the modern obsession with UFOs began with the so-called 'Roswell Incident' in 1947, when a craft carrying strange beings allegedly crashed on a farm in New Mexico. But there's an even more compelling case that occurred just days before Roswell, one that sparked claims of cover-ups and conspiracies that still rage on to this day...

CLOSE ENCOUNTER: Pilot Kenneth Arnold said he saw a fleet of flying saucers

ALIENS coming to earth in their flying saucers has been a sci-fi staple for decades.

By Phenomenon Expert GILES FULLER

There have been hundreds of movies featuring space ships filled with little green men who are often coming to invade..

Of course, many will argue that the fictional storyline has a basis in real life, with claims Earth HAS already been visited by interplanetary daytrippers.

And one of the most important incidents – one which has had us looking to the skies ever since – involved pilot Kenneth Arnold seeing a squadron of NINE metallic objects making their way over the Cascade mountain range in Washington State on June 24, 1947.

It was Arnold who coined the term 'flying saucers'.

He also went to the grave in 1984 adamant about what he had witnessed.

Events began when Arnold – who owned his own firefighting equipment supply firm – took off on a bright afternoon from Chehalis, Washington, heading for Yakima, Washington, on a business trip.

Flash

His journey was interrupted by a call for assistance over the airwaves after a US Marine Corps transport airplane went missing, presumed crashed, near the 14,400ft peak Mount Rainier.

Arnold searched the ridges of Mount Rainier for an hour without luck and eventually continued on his way.

He explained: "The sky and air were as clear as crystal. I hadn't flown more than two or three minutes on my course when a bright flash reflected on my airplane.

"It startled me as I thought I was too close to some other aircraft.

"I looked every place in the sky and couldn't find where the reflection had come from until I looked to the left and the north of Mount Rainier.

"I observed a chain of nine peculiar-looking aircraft flying from north to south at approximately 9,500 feet, going in a seemingly definite direction of about 170 degrees north to south.

"Every few seconds they would dip or change their course slightly, just enough for the sun to strike them at an angle that reflected brightly in my eyes.

"They approached Mount Rainier and I observed their outline against the snow quite plainly."

At this point, Arnold wasn't particularly anxious – despite the 'planes' looking like semi-

'Flying discs' called real by 2 air veterans
Two aviation veterans who gazed from high altitudes at the world-disturbing "flying saucers" agreed today the weird devices were real. But they differed on theories of their origin.

SEEING THINGS: Arnold sent drawings of sightings to US Air Force

SENSATIONAL STORY: Major US newspapers ran articles on Arnold's out-of-this-world claim

circular discs. He simply "assumed they were some new type of jet".

But what did "upset" Arnold, as he put it, was the speed at which these things were moving.

Using a gauge in his cockpit, Arnold calculated that they were moving at 1,700mph – three times faster than any known manned craft in 1947.

He said: "I would have given almost anything that day to have had a movie camera with a telephoto lens. From now on, I will never be without one."

Arnold landed at Yakima and told his pals what he'd seen.

They listened patiently, but clearly didn't believe him.

Yet Arnold still assumed these saucers were simply top-secret military 'vehicles' being tested by the authorities.

He revealed: "I told a number of pilot friends of mine what I had observed.

"They didn't scoff or laugh, but suggested they might be guided missiles or something new.

"In fact, several former Army pilots informed me that they had been briefed before going into combat overseas that they might see objects of similar shape and design to the ones I described.

"They assured me that I wasn't dreaming or going crazy."

'Some people think these things may be from another planet'

Arnold's story went global within days of him giving an interview to a local newspaper.

He got in touch with the FBI and the US Air Force to try to get some clarification on what exactly he'd seen.

But no official explanation was forthcoming as the authorities remained tight-lipped.

It left Arnold to become an unwanted celebrity.

In the end, he started to believe that what he had seen was not of this earth.

One of the things that convinced him of this fact was that the discs were making turns which were so abrupt that no human within would have been able to survive the G-forces involved.

On July 7, 1947, Arnold told a reporter: "If our government knows anything about these devices, the people should be told about them at once.

Disturbed

"A lot of people out here are very disturbed. Some think these things may be from another planet.

"But they aren't harming anyone and I think it would be the wrong thing to shoot one of them down – even if it can be done.

"Their high speed would completely wreck them.

"There is no doubt in my mind that these objects are aircraft of a strange design and material that is unknown to the civilisation of this earth."

British historian Mike Dash has written extensively about the case. And he reckons Arnold's story is utterly convincing.

He explains: "Arnold had the makings of a reliable witness. He was a respected businessman and experienced pilot.

"He seemed to be neither exaggerating what he had seen, nor adding sensational details to his reports.

"He also gave the impression of being a careful observer.

"These details impressed the newspapermen who interviewed him and lent credibility to his account."

When the Army did eventually investigate they, too, found Arnold to be a "truthful" witness.

But their official – and, it has to be said, somewhat unsatisfactory – explanation was that he had simply seen a 'mirage' reflecting off the snow-capped mountains.

It is an explanation that sounds even less convincing given the events in Roswell just weeks later.

SO WHAT DID HE SEE?

THE craft Kenneth Arnold glimpsed seem blessed with technology far beyond even that of a top-secret military unit. And, over the years, many experts have attempted to explain what was hovering above the mountains that day in 1947.

The most bizarre theory is that Arnold simply watched a flock of PELICANS. The large birds, that live in Washington State, have three-metre wingspans and are known to fly at surprisingly high altitudes.

That does not, however, explain why Arnold's own airplane didn't catch up with them.

Meanwhile, other theories that Arnold had seen a collection of meteorites in the sky were also dismissed, as these airborne rocks would have been moving much quicker than the objects he observed.

It remains, then, a complete and utter mystery.

Seren lifts lid on 'horny' Welsh

By WENDY THOMAS
news@sundaysport.co.uk

SEREN Gibson was jumping for joy last week – because her native Wales came out of its "firebreak" lockdown.

The 30-year-old sizzler, from Ruthin in Clwyd, said: "I feel sorry for the English because they are going into lockdown as we're coming out.

"I have visions of all the English people standing at the border watching us doing amazing things like going into shops and pubs!"

And there's another reason why Seren's so happy the covers have come off…

She said: "I don't know what it is about north Wales but everyone there is mad for shagging."

Seren, who boasts 32E curves, added: "I've lived all over the UK, but back home is definitely where people are the horniest.

"It's because they have the beautiful scenery, I reckon."

My perfect Sunday...

Sammie Pennington, 28, 34E, Hammersmith, west London

I GET FILTHY... WITH BANGERS!

By JAYNE FERGUSON
news@sundaysport.co.uk

SAMMIE Pennington has a dirty little secret to share...

She loves nothing better than to spend her Sabbath getting filthy – tinkering with old cars!

The 34E beauty revealed: "I've always loved playing with anything mechanical and getting my hands dirty with the innards of a car.

"I've bought and done up three cars, which were broken down bangers when I bought them but nice little runners when I'd finished with them.

Grease

"I think I got interested in cars when I saw Kylie Minogue being a mechanic in *Neighbours* when I was a kid.

"Blokes can't believe a glamour model is so handy with a monkey wrench and set of feeler gauges!"

And when she's showered off the oil and the grease, Sammie loves to go to her local for a slap-up carvery.

She said: "I can't wait for the pubs to properly reopen. I miss my three meats with lashings of gravy!

"I love gravy, me."

Introducing Britain's most PESSIMISTIC astrologer...

SEPTIC MEG

FORGET astrologers who tell you you're going to meet a tall, dark stranger and that you're about to come into money...

Septic Meg tells it like it is – UTTERLY SHITE!

Other newspapers' stargazers are filled with optimistic balderdash, which leaves you completely unprepared for the vale of tears that is the real world.

Did any other newspaper astrologer see the coronavirus coming? Of course they f**king didn't.

So here's how YOUR immediate future is going to pan out, according to our very own SEPTIC MEG!

SCORPIO ♏
OCTOBER 23 – NOVEMBER 21

IT'S not just you – even other moggies think your neighbour's cat is a right ct, too.**

SAGITTARIUS ♐
NOVEMBER 22 – DECEMBER 21

THANKS to COVID, your Christmas dinner will be a Fray Bentos steak and kidney "pie" served up on a bed of fresh hamster sawdust.

CAPRICORN ♑
DECEMBER 22 – JANUARY 19

YOU stopped pretending to try to understand the pandemic rules about six months ago.

AQUARIUS ♒
JANUARY 20 – FEBRUARY 18

"NEIGHBOURS should be there for one another," goes the C5 soap theme. "That's when good neighbours become... good... friends." Or, it transpires, COVID marshals.

PISCES ♓
FEBRUARY 19 – MARCH 20

YOU look back on scratching the shit out of your chickenpox spots, and having a mumps face that made you look like an orangutan, as the good old days of reliable illnesses.

ARIES ♈
MARCH 21 – APRIL 19

DOES the US have anyone under the age of death itself able to take on the presidency, you wonder?

TAURUS ♉
APRIL 20 – MAY 20

YOU'VE made a bloody good fist of it to even get this far, but you've finally run out of lockdown Supernoodle recipes.

GEMINI ♊
MAY 21 – JUNE 20

YOU believe rumours that Amazon boss Jeff Bezos is making so much money out of COVID that the Devil himself has asked for a job in the furnace and incinerator sales dept.

CANCER ♋
JUNE 21 – JULY 22

WHILE you won't go to church again until COVID has buggered off, you feel ever so slightly different about the pub.

LEO ♌
JULY 23 – AUGUST 22

YOUR old man once advised you that a bird in the hand is worth two in the bush. And you still have no idea what the old drunk was rambling on about.

VIRGO ♍
AUGUST 23 – SEPTEMBER 22

THINKING of finding a "proper" astrologist to read? You poor, deluded fool.

LIBRA ♎
SEPTEMBER 23 – OCTOBER 22

LIKE many others, you fear for the once-prosperous US market in orange makeup.

LEGENDS OF PORN

PART 132 **BELLA ROSE**

BELLA began working in adult entertainment as a webcam model using the screen name CupcakeBarbie.

By PENNY MARSHALL
news@sundaysport.co.uk

She started webcamming on the day she turned 18 and six months later took a road trip which introduced her to exotic dancing.

Bella, who was born and raised in Boone, North Carolina, said: "I went to a strip club and they liked me in the parking lot and said, 'Do you want to dance?'

"I was like, 'yeah sure!' – and so that's where it all began".

Performing as an exotic dancer in this Charlotte club, Bella met famous porn star Courtney Cummz and her connections helped her sign with a prominent adult film talent agency.

Bella made her official adult film industry debut in November 2015 and filmed her first ever sex scenes with Seth Gamble, Johnny Castle and Mara for the popular porn site NetVideoGirls.

She said: "Afterwards I was like heck yeah this is awesome, I can't wait to do more."

REAR-LY FILTHY: Bella loves her work

PUB TALK

THE pub used to be a great place to meet old mates, relax and have a laugh over a couple of drinks but it looks like we'll have to wait a month before we can do it again.

Sunday Sport **reporters visited boozers and asked babes to spill the beans on their sex lives – and luckily we got plenty in the bag!**

Here's a chat with a pair of saucy lasses from Cambridge…

JULIA HANSON
AGE: 22
OCCUPATION: Sales assistant
FAVE DRINK: Cava
FAVE FOOD: Indian
FAVE FILM: *Avengers: Endgame*
FAVE ACTOR: Zac Efron
FAVE HOLIDAY: Ibiza

ADELE CLARKE
AGE: 23
OCCUPATION: Barmaid
FAVE DRINK: Fizzy wine
FAVE FOOD: Indias
FAVE FILM: *Joker*
FAVE ACTOR: Joel Courtney
FAVE HOLIDAY: Spain

MY FIRST TIME

JULIA: My first time was actually with a woman. It was with you!
ADELE: I remember, it was at after a drunken Christmas party. We went home a little giddy and ended up sleeping with each other.

I'd had my first sex with a man about a month before and that wasn't all I expected it to be. Mind you, I was eager to try it all, my hormones were raging!
JULIA: Some of it is a little blurry. I always thought my first sex would be with a man, but it was not to be.
ADELE: I just remember feeling horny and deciding to kiss you. I remember being relieved when you kissed me back.

WILLY SIZE

JULIA: It definitely matters.
ADELE: I had sex with a guy once and he had the tiniest willy.
JULIA: Poor thing.
ADELE: I know. I felt really sorry for him.
JULIA: Not him, you!
ADELE: Oh. I was trying my hardest to enjoy it but in the end I pushed him off, amde an excuse and told him to go.
JULIA: So you didn't feel too sorry for him, then!

If a cock is too small, it doesn't get anywhere. But it can be too big, though that hasn't happened often.

I once went with someone whose dick didn't touch the sides.
ADELE: My favourite position is with my legs over my head so if it is too big it hurts, but if it is too small you can't feel it.
JULIA: Anything above seven inches is good, I reckon.
ADELE: I agree.

OH-NO MOMENTS

ADELE: I have been caught by my mum, which was embarrassing. She just walked in and out again quickly.

And once, I was having a wild time and my boyfriend was constantly falling off the bed, which kept ruining things.

He said the bed was too small and he had no room. No sex strength, more like.
JULIA: I have been with a guy who was a two-minute wonder. He didn't actually tell me he'd come, just pretended to have a groin strain.

He said it was hurting too much for him to carry on and he could hear his mum knocking at the door.

BEST SEX

JULIA: I had a one-night stand a couple of weeks ago, it was amazing.
ADELE: You haven't told me about that. I think the best sex is when you just go for it and are caught up in the heat of the moment.

The best sex I have ever had was a totally unexpected shag on the sofa at my place with an old friend-turned-lover.
JULIA: Mine was in someone else's bed, where I shouldn't have been.
ADELE: It is better when you are doing something naughty. Like when starting snogging my best mate and ended up having a foursome.
JULIA: I didn't know my guy. He was a random. He was very adventurous and liked to experiment.

SPIT OR SWALLOW?

JULIA: It depends on the guy.
ADELE: I always swallow, then throw it up afterwards. So it is a bit of both.
JULIA: It also largely depends on what kind of mood I am in.
ADELE: It is like swallowing your own snot. I hate the taste.

I don't mind giving blowjobs but I ask them to tell me when they are going to come so I can move away.
JULIA: I don't mind swallowing.
ADELE: I don't mind swallowing women's come, that's fine.
JULIA: Sperm tastes OK. I suppose it all depends on what the guy has had to eat beforehand.

> **'I have a vibrator with a remote so the guy can control the speed when it's inside me!'**

THREESOMES

ADELE: I have had a threesome and a foursome.

The threesome was with my guy and I ended up cheating on him with the girl who joined in.

I thought it was good at the time but the foursome was better. That was with two couples and we were able to swap partners. In the threesome someone was always being left out.
JULIA: I have had a threesome. It was with a guy and a girl and I got all the attention.

They both wanted me to so it was great. That was a really good night.

SEX TOYS

JULIA: I love my Rabbit. like to use it when I am on my own and when I'm with a guy.

It is good when a guy uses it on me. I also have a little vibrator with a remote which is good. You get the guy to use the remote while the vibrator is inside you so he can control the speed.
ADELE: I prefer the real thing but anything to do with clit stimulation is OK.

I got a platinum Rampant Rampant for Christmas but I don't like thewhole thing, I just like the rabbit.
JULIA: I have got some pink furry handcuffs.
ADELE: I have too.

My boyfriend got them for me for Valentine's Day. I like to use them on him.
JULIA: I'm not a fan of being tied up.

BUM FUN

JULIA: I like it for a bit but not for a long time because it makes your bumhole go all slack.

If you do it for too long, afterwards it feels like you have a massive hole. But I really like doing it every now and again.
ADELE: I have done it a few times but I don't really care for it. I usually try it when I am drunk and say 'Come on, let's give it another go' but don't usually do it when I'm sober.

ONE-NIGHT STANDS

ADELE: I have had one but I didn't like it. I would probably have another one-night stand but the trouble is he never knows what he is doing.

He doesn't know what you like and he iswith you for only one reason.
JULIA: Sometimes they are a waste of time if the sex is crap.
ADELE: I would rather be in a relationship and know what he likes.
JULIA: If they happen, they happen – if they don't it's no big loss.

The sex you get the majority of the time is not that good anyway.
ADELE: That's why I don't like them. It just gets frustrating when they don't know how to please you.
JULIA: But they might teach you a few new tricks.
ADELE: If they are not doing it for me, I will do it myself.

FAKING IT

JULIA: Hasn't every girl? I faked it loads of times.
ADELE: When I was younger I used to fake it but now I don't.

I will tell them what they are doing wrong and tell them what to do. I am not shy now.
JULIA: Sometimes if you pretend you are enjoying it, they perform better, other times they are still shit.
ADELE: I have never been able to tell him he's shit.
JULIA: I have – because if you tell them they might get better, and it might spare some other poor girl.

Meet Ava Austen –

the tattooed porn legend from TELEVISION X HD

I LOVE HOT INTIMATE PASSIONATE SEX!

By JAYNE FERGUSON
news@sundaysport.co.uk

BRITAIN'S biggest and best adult TV channel – Television X – is famous for its RED-HOT porn stars in UNCENSORED X-rated action.

And while we love to see big-boobed babes take yards of rock-hard COCK on the small screen, it's nice to know what makes our porn performers tick.

We caught up with tattooed porn megastar Ava Austen, 33, from south London, to chat about her wildest exploits in front of the camera…

HOW DID YOU GOT INTO PORN?

I met a gorgeous open-minded woman while swinging with my husband and she tempted me in to the business.

I shot my first scene with her, too. It was produced and directed by Liselle Bailey and shot by Trash Meister.

WHAT DO YOU LIKE MOST ABOUT BEING A PORN STAR?

I love the freedom it gives me to express myself like nothing else – and I love sex!

It turns out I like acting and performing, too. It's an art form, and I enjoy producing and starring in my own stuff, as well as working for the big UK companies like Television X.

WHAT TYPE OF PORN DO YOU LIKE TO WATCH?

I like pretty straight forward, hot, intimate and passionate sex between a guy and a girl.

I also love lesbian scenes with porn girls I've not worked with yet. Some of the American girls are amazing!

WHAT PORN STARS DO YOU LIKE TO WORK WITH?

I've made some great friends in the industry and it's always amazing when I get to work with them and make some magic!

Angel Long, Rebecca More, Alexxa Vice and Sophie Anderson are my favourite babes!

WHAT TYPE OF MEN ARE YOU ATTRACTED TO?

In a male work partner sense, I like guys who can make me feel at ease on set.

WHAT'S THE WILDEST THING YOU'VE DONE ON A PORN SHOOT?

A stand out filthy scene I did was for TVX. It was with Sophie Anderson and Marc Rose and shot by Angel Long for her series *Angel Long's Foot Addicts*.

It was a scene where Sophie and I put our feet to good use, shared lots of spit and gave Marc a good seeing-to!

IF you'd like to see some more of Ava getting up to some filthy fking then head over to *www.televisionx.com* or call 0871 075 6969 NOW!**

PICK

TODAY

TOMORROW

Emergency Road Rescue – C5, 7pm

THE devastating impact of the Yorkshire floods in 2019, following people on the frontline of the flood response in some of the worst affected communities – like the little village of Fishlake, near Doncaster.

Elsewhere, a smashed lorry is recovered from a busy motorway and an elderly passenger is involved in a terrifying road traffic accident.

Perfectly traditional C5 fayre but moderately gripping stuff.

Virus has losers... and winners!

Lockdown Chaos: How the Government Lost Control – C4, 9pm

IN July, the Prime Minister said he hoped life would be normal again by Christmas, but now most of the UK is under lockdown. What happened?

A monumental clusterfk, that's what happened!**

Antony Barnett investigates the second wave of COVID-19, looking at how the Government lost control and revealing new evidence about companies making millions from the pandemic.

That should cheer you up!

OF THE TELLY

By BARNEY SAMUELS

It's a load of balls...

Live Tennis: ATP World Tour Finals – BBC2, 2pm

ONE of the few good things to come out of this whole pandemic business is that it f**ked Wimbledon.

What a joy it was not to have telly schedules buggered up by tennis for a fortnight.

Still, there ARE people out there who seem to like this ghastly sport – so this is for them...

Sue Barker presents coverage of day one from The O2 in London.

The season-ending tournament sees the top eight singles players in the world compete for this title, which was won last year by Stefanos Tsitsipas *(left)* when he defeated Dominic Thiem in the final.

633 Squadron – BBC2, 5pm

BRITISH airmen embark on a daring Second World War mission to destroy a heavily fortified German rocket-fuel plant in Norway. To ensure success, the RAF pilots have to bomb an overhanging cliff to collapse it onto the building.

But the plan threatens to unravel when a Norwegian freedom fighter plotting a land attack to coincide with the air strike is captured by the Nazis.

One of the best theme tunes of any movie. Ever.

I'm A Celebrity... Get Me Out of Here! – ITV, 9pm

NEW series. For the first time in its history, Ant and Dec host the show in the UK on account of the pandemic.

This year's contestants arrive at their new home, Gwrych Castle in Abergele on the north Wales coast, where the campmates will take on trials and challenges in the hope of being crowned King or Queen of the Castle.

I used a public toilet in Abergele, once. I would have preferred to have used the jungle dunny – even with funnel web spiders.

TUESDAY

Naked Attraction – C4, 10.20pm

ANNA Richardson welcomes two more people looking for love and gets them to take their pick from six nude candidates.

Retired dentist Leanne is recently divorced and in search of a sexually experimental man.

And former US Marine Conor, who apparently falls in love all too easily, is looking for his dream Englishwoman.

Let's face it – we don't really care about the back story.

It's the teat and minge we watch it for.

Olympus Has Fallen – C5, 11pm

A SECRET service operative is reassigned from Presidential Protection after a tragic accident. As he prepares to leave his assignment, terrorists take control of the White House and hold the president hostage.

The agent is trapped in the building and uses his inside knowledge to rescue the head of state.

Action thriller starring Gerard Butler, Aaron Eckhart and Morgan Freeman.

Not a lot madder than what's REALLY happening at the White House just now.

DON'T MISS THIS!!!

The Great Plague: Decimation – Wednesday, C5, 9pm

THINK COVID is bad? How did Britain deal with a REAL plague?

Xand van Tulleken, Raksha Dave and John Sergeant trace the spread of the Great Plague of 1665 and find parallels with the coronavirus.

In the second episode, Xand heads to St Barts hospital to look at historical records which show that nursing staff stayed behind and risked their lives to help the sick.

John investigates why infection rates were so different between rich and poor, examining clothes typical for each group in the 17th century.

CURVY CLAUDIA KICKS HER BODY INTO SHAPE

By JAYNE FERGUSON
news@sundaysport.co.uk

DON'T go upsetting curvy Claudia – she's one fit kickass KICKBOXER!

The 30-year-old – who was born in Debrecen, Hungary, but now lives in London's swish Fulham – reckons the martial art keeps her in tip top trim for modelling.

And the special skills she has learned also make her feel confident.

The 36C brunette beauty – who was Hungarian Playmate of the Year back in 2005 – said: "It's nice to walk down the street knowing I can look after myself.

"But self-defence is not the real reason I decided to take up kickboxing many years ago.

"I also like the discipline and the hard, physical work that goes into it, too."

And she's kept up with the National League team's progress ever since.

The 34C babe said: "It is a bit ironic that I support County when my surname is Forrest but that's just how it is.

"I'm County through and through and that will never change.

"I really don't care that they're not even up there in the big leagues at the minute, I'll never desert them."

ANTONIA: COLD WINDS GET ME FEELING HOT!

BRING on the chilly weather and cold winds, says hardy Antonia...

By WENDY THOMAS
news@sundaysport.co.uk

Because a numbing, stiff north-eastern breeze makes the nipples on her 34D boobs rigid and super sensitive!

Antonia, 25, who we believe now lives in Halesowen, West Midlands – even though the briefest search of the internet shows she is Hungarian – said: "I have no idea why, but it is only the polar continental wind from the north east that has this effect.

"I just need to be out in the cold air for five minutes and my pink nipples get all stiff.

"And if I am not wearing a bra, the rubbing from my jumper or cardigan makes me all horny and I end up having a climax – literally!

"I have had to run to a quiet place on cold days so often, just to sort out my soaking little panties."

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

I'VE been with my girlfriend for two months and she's great.

We are both 18 and she is the first girl I have ever done anything sexually with.

We have come across a massive problem, though, and I really need your help.

The thing is, I can have as much oral sex as I want with her, but as soon as it comes to having penetrative sex and we put a condom on, I just flop.

Is there anything I can do to stop this happening?

MB, via email

Ashleigh says...
I HAD this same problem with an ex-boyfriend of mine. Try to include the condom in your oral sex routine – maybe ask your girlfriend to massage the condom on you, or put it on with her mouth.

Dear Ashleigh,

THE other day the wife was pushing a big vibrator up her arse as I was stood with one hand wanking and the other hand holding my mobile phone.

But as I was about to shove my love-truncheon up her inviting bum, she let out a huge rush of wind.

The sound of the fart put me off my stroke and my cock went soft within seconds.

No matter what she tried, I couldn't get it up.

Is there a solution to this farting problem?

GW, Glasgow

Ashleigh says...
THAT sounds like a real blow. Get her to stay away from rich food next time.

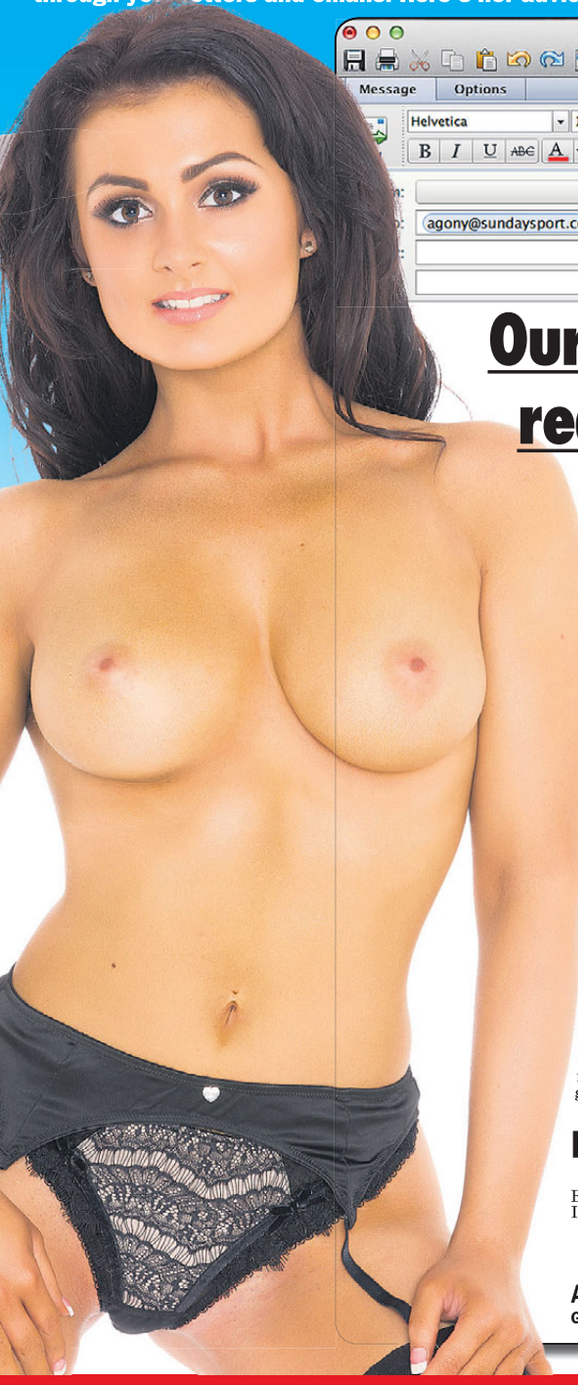
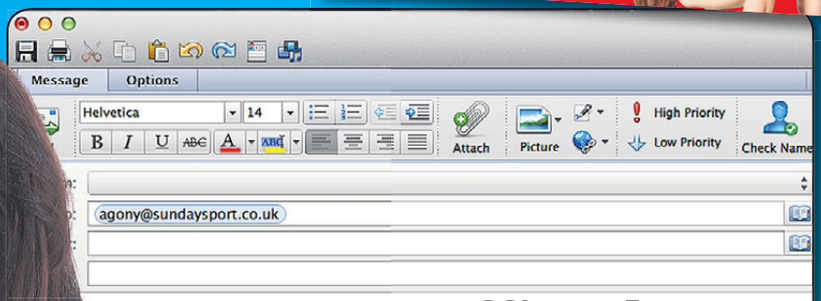
Sunday Sport SEXY BACK END!





Our saucy office cleaner really polishes me off!

Dear Ashleigh,

I'M a married man aged 35 with two kids and a boring job.

I work in an office that is 95 per cent blokes – and the women who work there are hardly anything to get excited about.

That is, until recently.

There was an older cleaning lady who used to keep our tea room tidy, but when she retired no-one was expecting anything like the replacement that we got.

We all ogled this bird when we first saw her at work, mopping the floor.

She's 25, with brown hair and huge boobs.

One day, a couple of weeks ago, I went for a cup of tea and was alone in the kitchen until the cleaner came in.

She said hello and we started chatting as she got her mop and bucket out and started cleaning the floor.

She seemed to be bending over more than was really necessary and I got a good glimpse of her lovely arse.

Straight away I became aroused – even more so when she turned around and I could see right down her top to her big milky white boobs.

She caught me looking and said: "Do you like these?"

I said yes and then she walked over to me, felt my bulge, undid my pants and pulled out my old fella.

She teased the tip for a while with little nibbles and licks and then wrapped her lips round my throbbing helmet.

I was about to come in her mouth when she lifted up her overall and slipped off her white panties and invited me to take her from behind.

I was pounding away and could feel an eruption building – and so could she.

She told me to pull out and then spun round and stuffed my knob in her mouth.

I spurted my hot jizz in her gob and she swallowed every drop.

Since this happened I've been shagging her three times a week and the missus is now getting on to me about my low sex drive at home.

What do you think I should do?

JK, Birmingham

Ashleigh says...

CLEAN up your act before someone at work dobs you in!

Dear Ashleigh,

EVERY time I see a photo of a topless babe or a nice girl in a club I can't help myself and have to nip off to the bogs for a quick tug.

But the thing is, I'm still a virgin at the age of 22.

Should I should seek help or will I just grow out of it?

DG, via email

Ashleigh says...

GO out and chat some women up and stop being such a wanker!

Ashleigh says...

THAT'S my kind of workout!

Rye: My naughty webcam sessions

BUSTY Rye says she's living out her fantasy of enjoying web cam sex – thanks to having a long distance boyfriend.

The 32FF glamour babe said she always wanted to get intimate on camera – and now she knows just how naughty it can be!

The Edinburgh lass works away on shoots in London during the week and makes sure her fella gets his thrills with her while they're apart.

By WENDY THOMAS
news@sundaysport.co.uk

She said: "I tease him with a little strip tease – revealing flesh gradually.

"Then I caress my boobs and let him see me playing with my clit.

"I like to get really carried away using my vibrator.

"It's great sexy fun, and something that we both love to indulge in.

"But the best part has to be when I finally get home and I can rip off all his clothes.

"Then I can show him how it's done properly – in the flesh!"

UNHAPPY: Eriksen

Inter dream turns sour for Eriksen

FORMER Tottenham star Christian Eriksen says his days are numbered at Inter Milan.

The Dane was a mainstay at Spurs for more than seven years before walking out to join the Italians last year.

He pretty much burned his bridges with the Londoners as he refused to sign a new contract and went to the San Siro for a cut-price £17m.

Now it looks like that was a bad move by the 28-year-old who has fallen out with boss Antonio Conte. It has emerged that Tottenham could have brought him back in the summer but swerved the deal with Jose Mourinho not keen.

He's struggling for game time in Serie A and is expecting to move.

He said: "This isn't what I dreamed of.

"All players want to play as much as possible, but the coach decides who gets to go on the pitch.

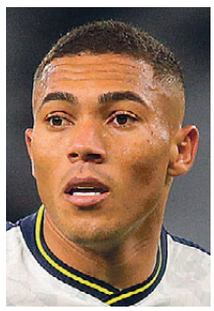
"It is a strange situation, as the fans want to see me playing more and so would I, but the coach has different ideas and as a player I have to respect that.

"I am concentrating on my football, then when the transfer window opens we will see if something will happen or not."

Manchester United were linked with Eriksen several times but have since brought in Bruno Fernandes and are unlikely to be interested in a move.

Meanwhile, one current Spurs player has been promised more game time by the Special One.

He brought in Brazil forward Carlos Vinicius in the last transfer window on loan from Benfica but has hardly played him.



NEEDS GAMES: Vinicius

He has made just four appearances but Mourinho has been impressed with the new boy.

He said: "We have two strikers, we don't have four or five, and he is one of the two.

"The other is one of the best strikers in the world and that results in a difficult situation for Vinicius, but you can play both together, there are games in which I will do it.

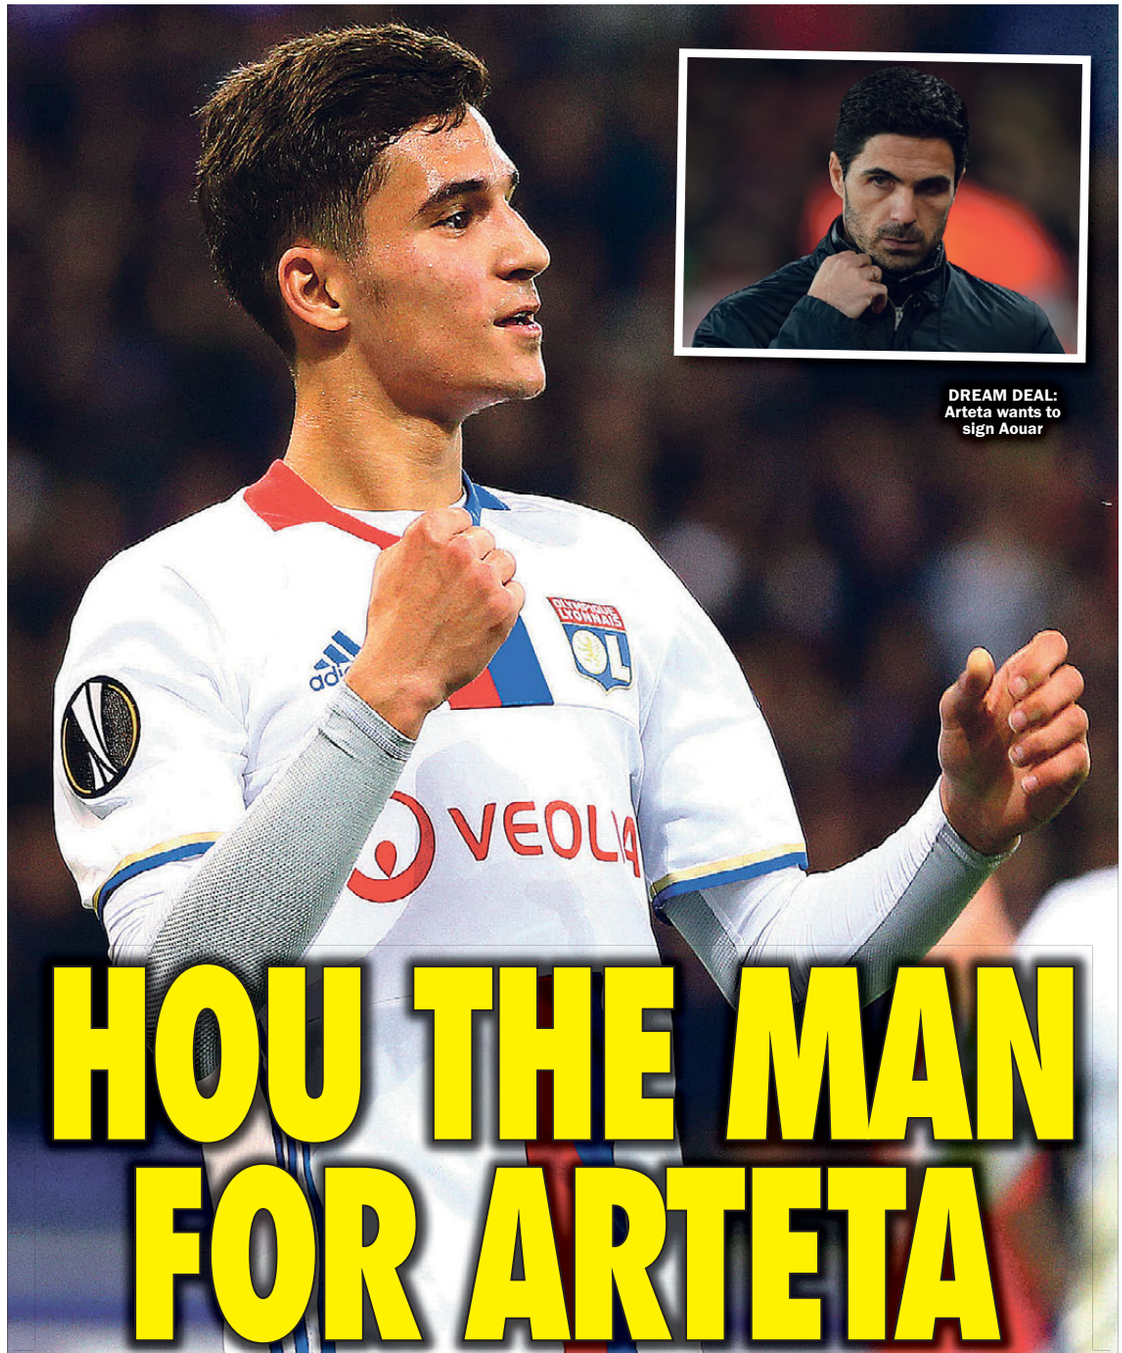
"Rotation is important because Harry cannot play all games.

"Vinicius will play many times, he will have the opportunity to prove his worth in the Premier League and convince Tottenham to buy him.

"If he doesn't, he will return to Benfica a lot more experienced and a lot more complete."

IMPRESSED: Mourinho

WE'RE NUMBER ONE FOR FOOTBALL!



DREAM DEAL: Arteta wants to sign Aouar

HOU THE MAN FOR ARTETA

Gunners boss wants Lyon playmaker

ARSENAL are desperate to rekindle their move for Lyon ace Houssem Aouar.

By PAUL THOMAS

The Gunners came close to signing the French attacking midfielder in the summer but failed at the final hurdle.

A fee couldn't be agreed and that looks like a false economy with Arsenal struggling to create chances this season.

A bid of £45m was rejected by Lyon who are looking for closer to £60m.

That figure is still scary for the Gunners but Arteta is pleading for the money to be spent in January.

Arsenal have competition though with Juventus keen on making a move for the 22-year-old.

Aouar says he's concentrating on maintaining the good form that has seen him force his way into the French squad.

He added: "I am happy, this is my city and this my club.

"I am proud to represent this club, I have so much motivation to make a great season.

"We made a choice, I'm happy to stay here. Aulas and Juninho convinced me to stay in Lyon."

Gunners legend Ian Wright is in no doubt that a player like Aouar is needed at the Emirates.

He is urging the club to invest and add to Thomas Partey who has settled in well since his move from Spain.

Wright said: "They still need more and that's why Arsenal went for Houssem Aouar.

"I'm hoping they can still get him at some stage but Partey is a massive improvement on what Arsenal have got."

Lyon general manager Vincent Ponsot admitted the player is up for sale — but only if the price is right.

And he says it wasn't during the last window.

Ponsot said: "Three teams were interested in a deal.

"The third club was Arsenal, who offered below the market value.

"We discussed it with the player's entourage, and together we took the decision to say "no"."

Arsenal fans will point to the fact that Mesut Ozil is sat twiddling his thumbs and could offer something similar to the Frenchman if he can be brought back into the fold by Arteta.

It looks more likely that the mercurial German will be heading out of the door.

Gunners legend George Graham admits it's hard to see a way back for Ozil.

He said: "He's got to be in a team that's dominating games and he's got to be on the ball as much as possible.

"Without the ball, just no. He is definitely lacking, not even at the top level.

"Without the ball he's not good enough.

"You play when you've got the ball but you also play when you haven't got possession.

"He obviously isn't playing into the new manager's style. He's just not up to the standard that Arteta wants."

Scotland hangover for footy punters

SCOTLAND SKIPPER: Robertson

CAN you imagine the huge hangover the Scotland players will be nursing against Slovakia in the Nations League today?

I know boss Steve Clarke said they just had a polite handshake and half a shandy to mark their brilliant penalty shootout win against Serbia on Thursday.

But videos of the players doing the conga around their hotel afterwards suggests that the Tartan Army players may have enjoyed themselves plenty.

And why not after making their first summer finals since Jim Leighton was between the sticks — ask your grandads kids!

Mind you, the Slovaks may have taken a few light ales after their own dramatic last-gasp win against Northern Ireland that saw them through to the Euros.

Before that they were beaten by the Scots in this group and went down narrowly against Israel.

One thing Slovakia are fond of is a draw and that could suit both sides in the 2pm kick-off.

Scotland have scored a total of five goals in their past five outings — the same number as their hosts.

Sometimes it just pays to keep it simple and there's every chance this will end up 1-1.

Bet 365 go biggest about that correct score at 11/2 while the draw at any price is 23/10 with the same firm.

Boss Steve Clarke says he wants to top this Nations League group but he'll be under pressure from club managers to give some of his stars a rest after playing 120 minutes.

He'll be happy with a point that will all but ensure the Tartan Army top their section.

England have a difficult night ahead against Belgium who have a two-point lead at the top of Group 2.

The Three Lions need no worse than a draw to keep their hopes alive heading into the final game against Iceland.

Gareth Southgate is walking a tightrope with club managers already fuming about the number of internationals this early in the season.

He's already sent Joe Gomez back to Liverpool in plaster and will have to rotate his squad.

It could give a chance to the likes of Mason Mount, Phil Foden and Jack Grealish — and that would be no bad thing.

You don't often see England as underdogs with the bookies but they are 2/1 across the board with Belgium 13/10 and the draw 23/10.

Harry Kane's men won the reverse fixture at Wembley but the Belgians have ground out two victories since then while Denmark landed a surprise win in London.

This is a tough game to call and England were impressive against a modest Ireland side last time.

Belgium are ranked No1 in the world at the moment with that Wembley loss their only real blip in the past couple of years.

With the likes of Kevin De Bruyne pulling the strings England's defence could have a tough night.

The City man is 3/1 to hit the target and 9/1 to get the first goal of the game.

But the Three Lions have plenty of pace in attack and can hit the target — as can the home side.

I'll back both teams to score but that's only 11/8. So I'll throw in a draw and each team hitting the target which is a more rewarding 7/2 with BetVictor.

WILL TARTAN ARMY BE FIT?

PAY PER PHEW AS £15 FEE DROPPED

By ANDY MILLOM

FOOTBALL fans are celebrating after the Premier League ditched its pay-per-view matches.

The sport's rulers have confirmed that ALL games will be on the box until the New Year — and included in usual Sky and BT Sport packages.

And in even better news, some games will be shown totally free on BBC and Amazon Prime as they were during the first lockdown.

Lots of supporters were furious at having to shell out £14.95 to watch extra matches that were not originally going to be televised.

It means the Christmas and New Year clashes will be included so there will be wall-to-wall footy on the box over the festive season.

The first totally free game will be Fulham against Everton on Sunday, November 22 on BBC One.

Amazon will show Crystal Palace v Man United free on Friday, November 27.

Not all the games will be on at different times though.

Amazon Prime will show eight fixtures on Tuesday, December 15 with all the games kicking off at 7.45pm.

The Liverpool v Spurs game and Man City v West Brom on December 16 will both kick off at 8pm with the streaming service showing both.

It's the same deal on Monday, December 28 when Amazon shows all ten matches at 3pm.

Everton v Man City, Man United v Wolves and Newcastle v Liverpool are the highlights.

No decision has been made on whether the measures will continue beyond the end of January.

A Premier League statement said: "There is a full schedule of Premier League games over the festive period and clubs are committed to an accessible solution for fans. These plans have been made with the cooperation of our broadcast partners, to deliver these additional matches while stadiums are missing supporters who are such an integral part of the game.

"The agreement will be reviewed in the new year after consultation with clubs, broadcast partners and in line with any decisions made by Government regarding the return of spectators.

"The Premier League and our clubs remain committed to the safe return of fans as soon as possible."

CLARKE HAILS EURO STARS

SCOTLAND boss Steve Clarke believes the Tartan Army are building something special — and can do themselves proud at the Euros.

Games against the Czech Republic, Croatia and England. The first two are at Hampden with the battle of Britain at Wembley.

And Clarke is adamant his players are not just there to make up the numbers in their first summer finals since 1998.

He said: "The whole nation can be proud but none of them can be prouder than the players because they're magnificent.

"We've shown we're building a fantastic squad, a fantastic backroom staff for me to work with. We are positive, it took a little bit of time but people are starting to believe."

FIGHT ON FOR DAYOT

BIG TUSSLE: Liverpool and Man United want Upamecano

Liverpool join chase for Old Trafford target

LIVERPOOL will try to hijack Man United's January move for Dayot Upamecano.

By JOHN ANTHONY

The Reds have been dropped into a defensive crisis after Joe Gomez was crocked on England duty.

He joins Virgil Van Dijk on the sidelines and both first-choice defenders could miss the rest of the season.

It means Kop boss Jurgen Klopp has no choice but to move for a central defender as soon as he can.
